

Cleared4Class FAQ

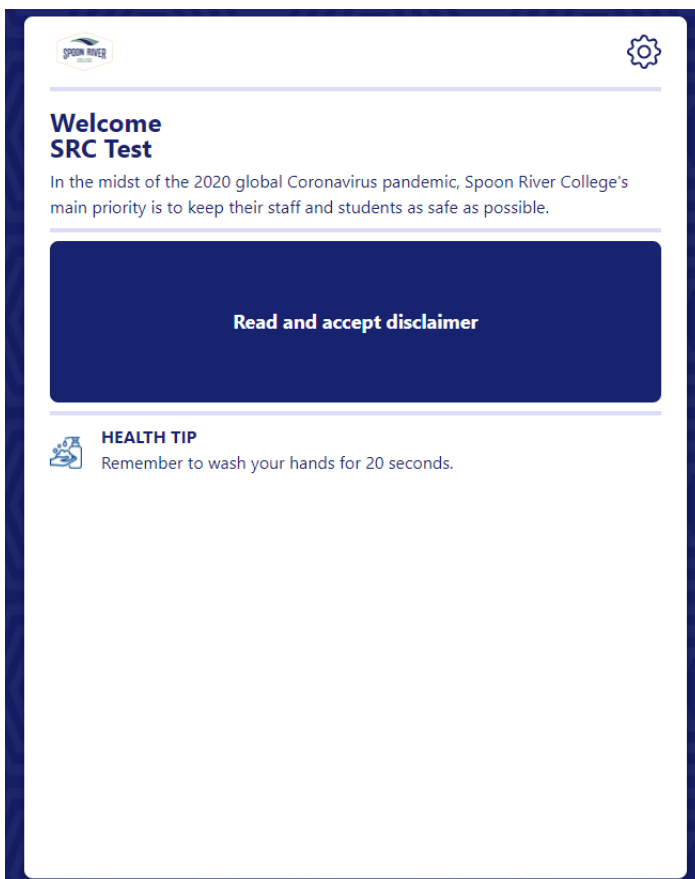

What is Cleared4Class?

Cleared4Class is a program that helps Spoon River College track COVID tests and vaccinations. This allows SRC students to accept the disclaimer before receiving the COVID test. It also helps individuals keep track of when they will need tested, or to be able to upload their vaccination card, and allows them to continue to take classes and work on campus.

Once you complete your registration you will receive text reminders about testing.

How does it work?

1. Cleared4Class will send you a SMS text or email to complete your registration.
2. From there, on your first time clicking the link, it will ask you to read the terms and conditions and verify that you are over the age of 18.
