## PROGRAMS FOR “PLUS 50”

**RETIREES LEARNING INSTITUTE** Spoon River College’s **Rushville** Retirees Learning Institute will take place Friday, **April 28<sup>th</sup>** at the SRC Rushville Center beginning at 8:30am and ending at Noon. The institute includes two educational sessions, resource fair, and a chance for prizes.

The day will begin with opening remarks at 8:45am. Session I will be held from 9-10am. Topics include: Storm Chasers or Advice for the Property Owner.

**Storm Chasers:** Each year, approximately 1000 tornadoes touch down across the United States --nearly 10 times as many as in the next closest country. Since the late 1950s, a growing number of atmospheric nomads called storm chasers have traveled the nation’s heartland in search of the world’s most violent storm, the supercell, and its offspring, the tornado. Join SRC Foundation Director **Colin Davis** to learn about the history of storm chasing. You’ll find out why thousands of people hit the road each spring and what it’s like to be one of them as Colin shares some personal experiences and photos from 15 years of chasing.

**Advice for the Property Owner:** **Suzette Rice** is Chief County Assessment Officer for Schuyler County. She is also the McDonough County ETSB (911) Vice Chair. She will give an informative presentation on the homestead exemption, senior taxes, and 911. There may be some things in this presentation that you need to hear.

A Resource Fair will be held from 10-10:45am featuring event sponsors. Event sponsors for this year include: Heartland Healthcare—Macomb, Littleton United Methodist, Rushville State Bank, Schuyler County Farm Bureau, State Farm Insurance, and West Central Bank.

Session II will be held from 10:45-11:45am. Topics include How Can Art Therapy Benefit You? or Yesterday’s Children.

**How Can Art Therapy Benefit You?:** Art benefits everyone! Anyone can be an artist! Pablo Picasso once said, “Every child is an artist. The problem is how to remain an artist once he grows up.” Even grownups can benefit from crayons, coloring books, and play-doh. Find out exactly how you can benefit from art, resources available here in West Central Illinois, as well as what materials can be used (you might already have). **Kim Krukewitt** draws from a wealth of experience to lead this session.

**Yesterday’s Children:** Discover the lives of poor children and orphans in the nineteenth century and how they worked alongside adults or were abandoned to the streets. This sociological disaster caused the breakdown of many families, and those who found themselves unable to provide for their children brought them to church sponsored homes or released them to orphan trains headed west. This is the little known story of those desperate times and those unsung heroes who saved many lives. **Brooks Carver** returns to RLI this year with a follow up to last year’s popular presentation.

The event will wrap up from 11:45am-Noon with a closing assembly which includes a chance for door prizes.

There is a fee of only \$5 to attend and pre-registration is required. This event will be held at the Spoon River College Rushville Center located at 706 Maple Avenue in Rushville. For more information, call 217-322-6060.
