Friday, April 20, 2018

8:45am – 12:00noon

Spoon River College
Rushville Center

Conference Fee: \$5

includes conference sessions and snacks

Taking You Where You Want To Go

Session Topics

Opening Remarks: 8:45am

Session 1: 9:00am—10:00am

Lost to Time: Stories from the Thirties

Let **Brooks Carver** take you on a trip down memory lane. This short history presentation includes the great Mississippi flood of 1937, betrayal in the San Joaquin Valley during the dust bowl, coal-mining towns, destitute and orphaned children, cowboy movies and one of the last real cowboys telling his story. Those who attended **Brooks'** presentation last year were fascinated. This year he is back with more stories from the 1930's.

Getting to Know You(r Phone)

Where can you find what apps are on your phone? How much memory do you have left? Do I need these updates it keeps bugging me about? Get to know your phone and how to customize it. Geared toward iPhones, but helpful for other models, too. This session will be led by **Andrea Barbknecht**.

Session 2: 10:45am—11:45am

Schuyler History Underground

David Haney will lead us as we take a look into some of the little-known facets of Schuyler County history, some of which have not made it into the history books. Some of the characters in this story are heroes, some are less than heroic, but all are interesting.

Pathway Perfection: People and Pollinators

Your yard has never been more important. Learn how your yard can host many species of beneficial insects, and be welcoming to people as well. We will discuss design elements, plant materials to use (and stay away from), maintenance realities and the benefits of a pathway perspective. **Carey Corrie** from Boehm's Lawn and Garden Center will lead this presentation.

Closing Assembly: 11:45am

Conference coordinators:
Rob Kirkham & Heather Vining
