CREATIVE WRITING

This creative writing class will benefit anyone who would like to start a writing project or has a project that is sitting around ready to be finished. In this class you will brainstorm topics, construct opening paragraphs, and build your use of imagery while maintaining a continuity of theme. The class will end with strategies of how to complete your writing project.

Instructed by: Randy Sollenberger

Fee: \$30

When: Thursdays, April 5, 12, and 19, 9-10:30am (CE828M1)
