# FOOD SERVICE SANITATION MANAGER CERTIFICATION (FSSMC)

The Food Handling Regulation Enforcement Act (410 ILCS 625) was amended per SB 1495. The following changes were made to the Food Service Sanitation Manager Certification (FSSMC) program. Effective July 1, 2014, in order to maintain your Illinois FSSMC Certificate, or in order to obtain a new FSSMC Certificate, you must complete an eight hour ServSafe IDPH approved course and pass an exam accredited under the standards developed and adopted by the Conference for Food Protection with a score of 75% or better.

One certified person must be on the premises at all times. All establishments which serve food must complete 7 hours of instruction from a licensed Sanitation instructor and then successfully pass the Illinois State Food Service Sanitation exam. Students will have one hour to complete the exam.

This course, instructed by I Food Manager (IFM), covers up-to-date information on safe food handling, preparation, food storage, personal hygiene, and the prevention of food borne illnesses. Successful completion includes certificate issued by the Illinois State Department of Public Health (IDPH).

The Illinois Food Manager (IFM) course instructor will submit exam answer sheets to ServSafe and will submit the returned test scores to IDPH. IDPH will mail students the Manager Request Form to fill out and return to IDPH with a \$35 payment. Students are not considered certified until the Manager Request Form and payment has been submitted. IFM will mail students a ServSafe certificate.
