

# DON'T GET SCAMMED!

Have you ever received a phone call from someone claiming to be a relative who is out of the country and needs money? How about someone who comes to your door to warn you about storm damage to your house? Does your bank ever e-mail you? When is a call from your credit card company legitimate? How do you know when a phone call or an e-mail is on the up-and-up? More importantly, how can you tell if it isn't from a trusted source? Learn some pointers and ways to protect yourself from scam phone calls and e-mails, and how to keep your personal data safe.
